

Family Nurse Practitioner

Jones County Health Department is seeking to contract with a **Family Nurse Practitioner** to provide clinical services at Agency one (1) day per week. Services include assessment, diagnosis, treatment, referral, follow-up, and counseling in Title X Family Planning, Sexually Transmitted Disease, BCCCP, WISEWOMAN, and Child Health programs. Practice will be in keeping with a collaborative practice agreement with supervising physician. All State and Federal laws governing health information, including HIPAA, are followed. Provider will consistently maintain a high level of professionalism and maintain agency standards. Experience in Public Health is preferred, but not required. Contact Wesley Smith, Health Director, at 252-649-2770 for more information.
