Jones County Health Department Partners with StarMed Healthcare to Host a COVID-19 Drive-Thru Testing Event Press Release #14

Trenton, NC – Jones County Health Department is pleased to announce that it will be partnering with StarMed Healthcare to host a COVID-19 drive-thru testing event this **Thursday, June 4, 2020** from **10:00 am to 2:00 pm** at the **Jones County Civic Center**, which is located at 832 Hwy 58 South, Trenton, NC.

StarMed Healthcare, whose home office is located in Charlotte North Carolina, is a community-focused urgent care center and family medicine practice that offers medical care to residents in Mecklenburg and Onslow Counties.

Any **county** resident wanting to be tested at the event **must** complete a virtual health screening **prior** to receiving a COVID-19 test. The following are steps on how to register and set up your virtual health screening visit:

- 1) Visit <https://starmed.care/>;
- 2) Click the red box “Schedule Virtual Visit”;
- 3) Choose "Jones County" in drop down and select a virtual visit appointment time;
- 4) Enter email address;
- 5) Enter personal information;
- 6) You will receive an appointment confirmation email;
- 7) 30 mins before scheduled visit time you will receive an email or text message from StarMed – Click “Start” to begin your Virtual Visit;
- 8) Once you have completed your Virtual Visit, you simply arrive any time between 10:00 am and 2:00 pm on June 4th to be tested.

If you do not have internet access, StarMed Healthcare will register and conduct the virtual health visit onsite for anyone who may need assistance. However, they do strongly encourage as many residents as possible to register online. Should you have any questions, please call 704-225-6288.

For more information on the Coronavirus, please visit the Centers for Disease Control and Prevention (<https://www.cdc.gov/coronavirus/2019-ncov/about/index.html>) and the North Carolina Division of Public Health Coronavirus call line (1-866-462-3821) or (<https://epi.dph.ncdhhs.gov/cd/diseases/COVID19.html>).
